SAFFREY PLEAD GUILTY

The North Kona Land Case and Alina Estate Pilikia Decided.

United States Deputy Marshal Hendry undertook what appeared to be a formidable task Monday evening when the First Circuit Court all day yesterday he went on board the schooner Admiral and was continued until today. Magoon with a warrant of arrest for Michael & Thompson and Hatch & Silliman apwith assault and battery.

The negro is a Brazilian, and according to the reports of all on board, made things extremely lively on the good ship Admiral during the voyage en ship Admiral during the voyage en Wong Hong Yuen yesterday filed by route to this port. In a furious temper he assaulted the first mate and an answer of general denial to plaintiffs' beat him nearly to death, and then, turning on the captain, attempted to kill him. He was put in irons and kept there during the remainder of the voyage, and although the irons rusted, there was no one on board who would undertake to change them, so vicious and ugly was the temper of the black man.

Mr. Hendry was warned that it would be dangerous to attempt to arrest the negro without assistance but pinning his faith to a Smith & Wesson six-shooter and the more gentle persuasion of a pocketful of good cigars, the chief deputy marshal boarded the schooner and approached the prisoner. At first the Brazilian was not gracious, but the officer, after asking him if he would not like to go ashore introduced himself and gently informed him that he had a warrant for his arrest, asking him to accompany him from the schooner. This the negro did, as meekly as a lamb, and when at the gang of the lower court in favor of the deplank the officer took a General Arthur cigar from his pocket, lit it, and proffered it to the black man, the ship's peaceably together, enjoying their ev-

ening smokes. Swan was arraigned at the Federal Court yesterday morning, and the court appointed T. McCants Stewart to act as his attorney. The attorney, however, refused to accept the appointment, and Judge Estee will appoint someone to defend the negro later.

DECISION IN HUI LAND CASE. A unanimous opinion was given by the Supreme Court yesterday in the case of Hawaii Land Company, Limited, vs. Nettie L. Scott, on appeal from the District Court of North Kona, Hawaii. The opinion was written by Justice Perry.

Summary possession was claimed by the plaintiff of six shares in the company land of Holualoa 1 and 2, the complaint setting out that the premises were held by the defendant unlawfully and against the rights of plaintiff. It was alleged that defendant held the shares by virtue of a lease between D. Kahao, attorney in fact for S. H. Peters, and the defendant.

A demurrer, was filed on the ground hat the complaint did not state facts sufficient to constitute a cause of action. The defendant also filed a plea disputing the Court's jurisdiction. Both the plea and demurrer were overruled and judg-ment was subsequently rendered against

the defendant. An appeal was token to the Supreme Court on points of law, one point being that the magistrate erred in admitting evidence to established facts not alleged in the complaint. It was also raised that where documentary evidence was taken by copy, the magistrate erred in admitting such evidence without identification on certificate that it was a correct

It is held by the Supreme Court that the demurrer should have been sustained, holding that the declaration was defective in specified particulars. The Supreme Court finds that the demurrer as to its allegations of the insufficiency of facts in the complaint and of lack of jurisdiction, should have been sustained. The case is remanded to the District Court for such further proceedings as

may be proper under the opinion given The syllabus contains the following: "In the declaration in an action to recover summary possession of land brought under sections 1679 and 1680 of the Civil Laws, it is necessary to allege that the relation of landlord and tenant exists or has existed between the parties, how such tenancy was created, whether by lease or by parole, and how it terminated, whether by afflux of time or by reason of a forfeiture or by a statutory notice to quit." Andrews and Peters and Andrade were

attorneys for defendant and Achi and

Johnson for the plaintiff. DECISION IN ALINA ESTATE. The Supreme Court has rendered decision in the matter of the disallowance of administrator's fees in the estate of Allna, deceased. In this case J. A. Magoon the administrator, appealed from the judgment of the First Circuit Court in probate, whereby the item of \$243, credited by the said administrator in his accounts as filed against himself as commissions, for which no vouchers were filed, was ordered disallowed, and the

also that the administrator be charged with \$75 as master's fees." It was contended by the attorneys of the applicant that courts of probate have no right to disallow the commissions of an administrator in cases of mal-administration or of failure to perform the trust.

sum ordered to be credited to the estate;

The Supreme Court, in an opinion by Judge Perry, held as follows:

"Under the circumstances of this case, is the disallowance of all the commissions justifiable? We think not. No objections were made to the accounts or exceptions taken to the master's report by the legatees. It is fair, then, to presume that the accounts contain a correct statement of receipts and expenditures, nor has any suggestion to the contrary been made by counsel for the appellees. The master, although remark-ing upon the lack of vouchers for the

recommend their disallowance; nor were they disallowed by the Circuit Judge.

The notice to creditors required by law
was not published; no accounts were filed other than those now under consideration, and the estate was not closed within one year, which apparently could have been done, but upon the record there is no reason to believe that there has been any failure on the part of the administrator to comply with his duties in any other respect, or that any finan-cial loss has resulted to the legatees. Un-Two Decisions of the administrator requires a disallow-ance out of the latter's commissions of the sum of \$50 and no more. Simple interest should also be charged against the administrator or the sum of \$55.56 from April 1, 1892, at the rate current during the period, the said sum being the corrected balance on hand at that date, and not since expended. A reasonable master's fee, the payment of which is made necessary by the default of the administrator, may be properly charged against the administrator as a part of the expenses of the litigation. . was the administrator's neglect and delay in this case that rendered the reference necessary. The master's fee, then, whatever it is in amount, should be paid by the administrator. We think, how-ever, that the award of \$75 is excessive. A fee of \$25 is all that in our opinion. the services rendered justify. "The decree appealed from is reversed

and the cause is remanded to the Circuit Judge of the First Circuit for such further proceedings as may be necessary in conformity with the foregoing views."
